STATE MAY PLANT EXPERIMENT ORCHARD ON LOCAL FIRM'S LAND

Maysville Land and Fruit Company's Holdings in Greenup County May Be the Place Selected For Big State Experiment Orchard.

The Maysville Land & Fruit Company's holdings in Greenup county are attracting wide attention at the present time. This firm owns 2300 acres of land in Greenup county, which they hope to have in orchards in a short time. Already this spring 100 acres were planted in trees and again next spring 100 acres will be planted for orders having already been placed for the trees.

A short time ago Mr. W. F. Bolender, one of the best known fruit men in the state of Ohio visited this property and in writing to Mr. J. C. Rains, Secretary of the company says: "Mr. J. C. Rains, Sec-Treas. Maysville Land & Fruit Firm, Maysville, Ky."

My visit to your farm up near St. Paul was a surprise to me. I expected to see—as you usually do in these propositions—a big fine orchard, with the blue prints and schedules of what they were figuring on doing with the fields, and crops suffering for want of care. Instead, I found just the opposite, the place well managed, ground cleared, trees planted properly and well cared for, and planted in soil that there is no question of it but what it is adapted to the growing of fruit.

Your location is so that your arrangements for the marketing of the fruit will be one of your small problems.

The growth of the trees this summer is so much better than any I have ever seen that you can hardly believe that the trees were planted this last spring.

We are interested in your proposition because we know you are going to make a success, you can't help it, under the management you have, soil condition, etc., and we feel that we want to invest some money in the proposition ourselves, which we hope we will be able to do in the very near future.

Very truly yours,

PETER BOHLENDER & SON,

Per W. F. BOHLENDER.

The state of Kentucky is taking much interest in the development of orchards in that section of the state and have had experts investigating it. It is more than likely that in the near future the state will plant an experiment orchard on this company's land.

MASON COUNTY WINS HONORS AT EWING FAIR

Great Majority of Poultry Entries Are From This County—Mason Wins In Rings Too.

There were 124 entries to the Poultry Show at the Ewing Fair of which 110 were from Mason county.

This is the first Poultry Show ever held at Ewing and the management seems well pleased with the manner in which the Mason County Poultry Association is boosting the game.

Mason county also cleaned up in the exhibition rings. Earl Newell winning three firsts and also best bird in Shorthorn ring. Grubill & Sons of Fernleaf won two firsts in the 6 months class and two seconds in Sweep Stakes with the same animals aged hogs in the Poland-China ring. B. O. Pickett & Sons of Helene, won two firsts in egg class, two firsts in Sweep Stakes and two seconds in the 6 months class in the Poland-China ring.

LIVE COMMUNITY CLUB ORGANIZED AT DOVER

The Dover Community Club organized Wednesday night and elected the following officers: President, Frank Collins; First Vice President, Mrs. Larue Osborn; Second Vice President, Mrs. Elgin Anderson; Secretary, E. E. Kidwell; Treasurer, Herbert Klinker. The Club will meet again August 27 to make arrangements for a big Home Coming for the Soldiers and Sailors of the Dover precinct.

This is the fourth Community Club to perfect the organization in Mason county. County Agent Kirk expects to organize several others in the near future.

LOCAL MAN'S BROTHER DIES

Captain Milton Wedding, prominent Hillsboro, Ohio, editor and former captain of the Ohio State Guard, a brother of Mr. Charles Wedding, of this city, died at his home at Hillsboro, Ohio, Wednesday after a short illness. Mr. Charles Wedding was at his bedside when death came.

There were many Maysville and Mason county people who went to the Ewing Fair today, there being a very attractive program for the day. Saturday will be the biggest day of the fair and it is thought that the grounds will be crowded.

CONDITIONS ABROAD BETTER UNDERSTOOD BY MAYSVILLIANS

Dr. Frank Bohn Gives Powerful Lecture on "Revolutionary Europe" at Chautauqua—Great Comedy of Mystery to Be Given This Evening.

Chautauque heard one of the greatest lectures of the year at the Maysville Chautauqua Thursday evening when Dr. Frank Bohn spoke on "Revolutionary Europe." With all censoriousness torn down, Dr. Bohn gave his audience some idea of the great work he was attempting to do before and after the great world war.

Probably never before has the learned men of the real conditions at the present time in Europe then they learned from this great lecture. As many had hoped, he went into detail about Russia and the audience learned much about the conditions that greet country is grappling with at the present time. The lecture was well worth the price of the entire season ticket for the chautauque and all were pleased.

Miss Josephine Martino, Soprano Prima Donna, sang beautifully and the manner in which the audience appreciated her voice was demonstrated by the many encores she received. The Czech-Slovak quintet gave a program of high class instrumental music which was much enjoyed by the lovers of good music.

Friday is the big day of the Chautauqua when Percival Vivian and his company will present the novel Melodrama Comedy of Mystery, "Seven Keys to Baldpate." This is the biggest thing ever undertaken at a Chautauqua and the popularity of the play and the fact that it is presented by a full Broadway cast is expected to attract hundreds of people from near and far. There is nothing else on the Chautauqua program for today.

Saturday will be another great big day and especially with the lovers of children for the lecturer for Saturday evening is the most successful handler of bed boys and girls the world has known—Dr. Ben B. Lindsey, judge of the Denver Juvenile Court and world renowned for his handling of children. It will be remembered that only a few months ago Judge Lindsey was sent to jail and required to pay a heavy fine because he refused to break confidence with one of his little boys. The lad was charged with a crime and had made a confident of Judge Lindsey in his court. When the case went to the Circuit Court Judge Lindsey was called upon to testify as to what the boy had confided in him. The judge refused to break the confidence and he was fined for contempt by the higher court.

Besides Judge Lindsey the greatest vocal music program of the series will be given by the Orpheus Four, the world's greatest male quartet.

SOLDIERS TO SPEAK

Those present at the Christian Bible School on Sunday morning will have the privilege of hearing of the experiences of some of our boys who had the front. Among others who have been returned to us is John Robert Watson. He has consented to tell of some of his misadventures. His story is exceedingly interesting. None will want to miss hearing him and any others who may relate some of their experiences. Friends of the school are invited to be present. All should be there at the time of opening 9:30 a. m. Every minute will be interesting.

HAND BADLY BURNED

Mr. Julius Sharp, the efficient fireman at the Maysville Electric Light Plant, met with a rather serious accident at the plant on Thursday when he badly burned one of his hands so that he was unable to work.

TRAIL OF BANDITS WILL SOON BE STOPPED, OFFICIALS SAY

Unless Mexican Bandits Are Soon Captured, the Trail Into Mexico Will Be Abandoned.

Merf, Texas, August 22.—Pursuit of the Mexican bandits who held up two army airmen for \$15,000 ransom will be abandoned soon unless the American cavalrymen strike a hot trail which promises quick capture, it is announced here by Major General Joseph Dickman, commander of the Southern department, U. S. A.

General Dickman, who is in Marfa inspecting the troops and equipment, considers the aviation equipment here insufficient, and has asked that it be doubled. Only six planes are here co-operating with the American expedition, which comprises 300 mounted men and a pack train.

It was made plain that the pursuit of the Mexican outlaws will not stop because of any pressure from the Mexican authorities, but because the hunt would be regarded as hopeless unless the bandits were located within the next few days.

"We can not continue the search forever," said Major General Dickman.

While the exact location of the troops of the Eighth cavalry who are searching for the outlaws is a military secret, it is known they have penetrated a considerable distance into Mexico. This is revealed by the fact that a landing field for the planes established in Mexico on Wednesday is at least 30 miles from the border.

MISSIONARIES HERE FOR ANNUAL MEETING

All of the missionaries in the mountain section of the Bracken Association of Baptists' district are to meet here today with the members of the District Mission Board to discuss plans for the coming year's work. This is the first meeting of the Mission Board and in many respects, the most important meeting of the entire year.

ARSON CHARGE AGAINST RIPLEY MAN WHO IS NOW IN JAIL

Old Hunter Property at Ripley Burns and Charles Ramsey Is Held On Arson Charge.

Charles Ramsey, aged 65, well known "river rat" around Ripley, is in the Brown County jail on a charge of arson.

A telephone message was received from Deputy Fire Marshal Albert Henrici at Georgetown that Sheriff Miller was wanted at Ripley to locate and place Ramsey in custody. Saturday morning what is known as the old Hunter property, on Main street, was discovered on fire. The property is owned by Joseph Fossee. The flames were discovered in time for them to be extinguished. Deputy Henrici learned, upon visiting the scene, from four different persons, that they had seen Ramsey set fire to the building. A search was instituted and it was learned that a boat had been taken and Ramsey had started down the river.

Marshal Gib White, Mr. Joseph Hughes and Sheriff Miller started down the river searching both sides as they went. When they reached New Richmond they got trail of Ramsey who was learned to have gone on toward Coney Island. About one mile below there they learned from a man that Ramsey had just gone up the river bank to a saloon, where Sheriff

FLOATER IS FOUND NEAR HIGGINSPORT

Crew On Towboat Finds Body of Identified Man in Ohio River—Buried in Brown County.

Mate Roy Brown on the towboat George Matheson, noticed a floater in the Ohio river, Sunday morning, as the boat was passing Higginsport. The body was floating with face up, the hands protruding from the water, which attracted his attention. He notified Mayor Williams, who called Coroner Dowdney and the body was viewed. The body was that of a man believed to have been about 36 years of age. From the left arm a blue serge coat hung loosely, his feet were bare, and the clothing indicated that he had been a laborer. The only thing found in the pockets was a knife.

Mayor Williams stated that during the past few weeks two or three notices had appeared that persons had been drowned along the upper portion of the river, but that nothing definite was obtainable to establish identity. With this Coroner Dowdney ordered the body buried, it being in such condition that this action was necessary.

Buy in Maysville. It pays.

Miller found him and returned with him.

Remsey has served terms in the penitentiary, and the grand jury will be convened Tuesday, when the charge for this offense will be left for consideration.

BABY MYSTERY DEEPENS; POLICE ARE UNABLE TO FIND MOTHER

East End Mother Will Take Waife as Her Own—Police Continue and Widen Search Outside the City.

So far the police have been unable to locate the mother of the little waife found at the home of Mr. and Mrs. Frank Purdon in Wood street Wednesday night. All clues picked up by the police have been run down and so far have led to no discovery.

Chief of Police Herry A. Ort has about reached the conclusion that the child does not belong in Maysville but was brought here from the county or some adjoining county in an automobile and placed in the porch ewing at the Purdon home. Every dealer in Maysville has seen the basket in which the child was found and no such basket belonged to or was handled by any local store. The clothing in which the babe was wrapped is not known in Maysville.

Miss Annie Casey, Health Nurse, has found a family in the Eastern end of the city who will adopt the little waife and give it a good home. The mother has just lost her own baby and is anxious to take this little boy. It is more than likely that she will be given the child by the police and Miss Casey if the mother is not soon found. This mother is now caring for the little one.

MERZ BROS. BIG STORE HAS BEEN COMPLETELY MODERNIZED WITH THE NEWEST FIXTURES THAT COULD BE BOUGHT. HIGH PRICE FIXTURES MEANS LOWER PRICE DRY GOODS because we can give you better and quicker service, less goods are soiled and each clerk can wait on more people.

My, what a job to have the carpenters, electricians, etc., tearing up at the same time. Mrs. Housekeeper you have our deepest sympathy during your housecleaning days.

We tried to protect our goods as much as possible, but quite a few goods became soiled in the turmoil. We also discovered quite a big lot of odds and ends that should have been sold long ago had they been shown. We have no room for Odds and Ends in our new fixtures. "They have to get out" said the "boss-man" of the Bee Hive. Every stock keeper will be given just one week to clean out his or her stock. Every soiled article, every odd piece must go and go quickly. We don't care what it cost, we don't care what it is worth it has to go. Don't be surprised if you should buy a dollar pair hose for 50c or a 25c yard ribbon at 10c or a \$15 coat for \$7.50 or a \$3 pair of Oxfords for \$1. Remember the lots of all these goods are small, too small to advertise separately. If you want to wear the same smile as the woman who gets here early in the morning, just get here early too.

This SALE will consist of nearly everything in this store. There will be bargains in—GLOVES, HOSIERY, HANDKERCHIEFS, UNDERWEAR, EMBROIDERIES, LACES, RIBBONS, BUTTONS, NOTIONS, WAISTS, PIECE GOODS, SILKS, CORSETS, SHIRTS, NECKWEAR, SOXES, RUGS, OXFORDS, VEILINGS, and hundreds of ODDS and ENDS in this BIG ODDS and ENDS SALE.

ONE PLANK ONLY IN
THE PLATFORM OF
SUFFRAGETTES

"Votes For Women" Is All That Suffrage Association Is Interested In, Says Contributor.

The National American Woman Suffrage Association and all the State and County Suffrage Leagues, of which it is composed, are not party organizations. The Platform of the Suffrage organizations has but one plank: "Votes for Women." In practical politics the Suffrage organizations have but one function—to secure candidates in all parties, Democratic, Republican, Socialist, or what-not, who will vote for Suffrage measures. When they succeed in getting a suffrage candidate in all parties or fail of getting a suffrage candidate in any party, their work for that particular election is finished. The members of the organizations are then free to support the candidate and party of their choice.

If the Suffrage organizations succeed in getting a suffrage candidate in one party and fail in getting a suffrage candidate in another or other parties, as organizations, it is their business to help elect the suffrage candidate. This is perfectly good logic, perfectly good patriotism, perfectly good statesmanship.

The power of the ballot to elect officers and promote measures is of greater value than the results of any one particular election just as the possession of an ax is of more value than the chopping of any one piece of wood. The possession of the tool is of greater value than the doing of any one special piece of work with the tool.

"Suffrage First" is the motto of the Suffrage organizations. Having the ballot, women will proceed as other intelligent human beings do, to secure with it those things which seem most conducive to the general welfare.

It was in pursuance of this 50 year old policy of the National American Woman Suffrage Association that the suffragists of Mason County recently asked three candidates for Representative to state their position on the suffrage question. One of the Democratic candidates declined to answer the letter, broke an engagement for an interview and dodged every chance for an interview.

The successful candidate says that he did not answer the letter because the women would not have been pleased with his answer; because they had no right to ask the question; because it is men's business to run the government; because a woman's place is the home; because it is no concern of Mason County women who is sent from Mason County to the General Assembly of Kentucky.

He now says that they had no right to ask the question at the time it was asked because it was done for the purpose of "intimidating the candidates." How could any one have been intimidated to the advantage of the other when all three were asked the same question at the same time? Is a citizen "intimidating a candidate" when he asks the candidate to state his position on a major issue? Why do we send men to the Legislative Halls unless it is to represent us? And how shall we know whether they represent

Since the Republican candidate came out unqualifiedly for the ratification by the 1920 session of the General Assembly of Kentucky of the Federal Suffrage Amendment, according to the 50 year old policy of the National American Woman Suffrage Association, women who believe in Woman Suffrage and men who recognize its importance have but one course open. and no finer or more complete aggregation of menage horses are available in the circus world. Every horse of

the troupe is a star in all that the term implies, minus the profuse adjectives that are so often and recklessly employed in describing the virtues of an attraction in the show world.

Not only do these intelligent equines do everything any similar horses do, but they go out of the beaten path and perform some feats that are but a mite removed from the miraculous. The star of the contingent is that equine wonder "Jack Morgan," a handsome animal of commanding appearance who really does do "everything but talk."

In addition to these horses the circus is presenting DeMaree's Monkeys—three herds of performing elephants, Captain Kent's wonder working groups of well trained ponies for the edification and joy of the little ones.

Among the performers with John Robinson, in addition to some fifty funny clowns are the famous Nelson Family of aerobats, known from coast to coast and from Canada to the Gulf, Tetu Robinson, adopted Japanese daughter of John Robinson, the Second, Fred Leggett, Cecil Lowanda,

Statements That May Be Investigated.

Testimony of Maysville Citizens.

When a Maysville citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Maysville resident. No stronger proof of merit can he had.

George H. King, prop., grocery 615 E. Second St., says: "I have used Doan's Kidney Pills off and on for several years, getting them at Chanslor's Drug Store and I have been greatly benefited by them. Sometimes the kidney secretions have been irregular in passage. I have suffered severely with aches through the small of my back. When I have been in that way, I have used a box or two of Doan's Kidney Pills. They have never failed to cure the attack in quick order."

A Boon Everywhere

A phonograph is needed in every home. Most of all in the village, small city and farm homes.

Wherever you may be, whatever your station in life, really and truly the Edison Phonograph, with its laughter and merriment, with its refining, educating and soul-stirring influence should prove a Godsend to you.

On the lonely ranch, at the public meeting place, out with a camping party—and above all in the home—the Edison will do more for you to make life worth while than a score of other articles that you might buy for ten times the cost of an Edison.

Music's Re-Creation

That is the only term which can really describe Mr. Edison's wonderful phonograph. For it really creates music anew. It does more than merely reproduce music like the "talking machine." Everyone can tell "talking machine" music when they hear it, but actual tests before over two million music lovers have proved that when the music of the New Edison is heard side by side with the living artist who made the record, the ear cannot tell which is which.

Yes, that is wonderful. But it took no less a genius than Thomas A. Edison, the world's greatest inventor, to accomplish such a miracle. The New Edison is his favorite invention. He worked for years and spent a fortune to perfect it. Now, since we make this liberal offer, will you be satisfied to have anything less than Music's Re-Creation in your home?

Don't Wait!

Don't deny yourself the pleasure which The New Edison will bring for another day. Come in and hear it. Bring your family. We'll gladly play any records for you which you would like to hear. Select your outfit and let us send it to your home on our liberal offer.

JOHN ROBINSON'S CIRCUS IS HIGHLY COMMENDED

Bangor, Maine News Says Nice Things About John Robinson's Wonderful Tented Attractions.

John Robinson's circus will exhibit in Maysville Tuesday, August 26, and hundreds of residents from this city and vicinity will attend. They will go early, to be in time for the street parade and will attend both performances.

Concerning the show the Bangor, Maine, News has the following nice things to say: "Just a plain old fashioned circus such as your grandparents enjoyed, rejuvenated and brought down to date, made more interesting by the clean, business-like manner in which it is presented—this is the charm that held the assembled thousands who crowded the main tent of the John Robinson circus. For it is a circus that does not depend on pagents, parades or spectacles, to interest its patrons. In the three rings are presented the cream of circus acts. The well trained animals, the handsome riding horses, and their famous riders, the aerial acrobats, the congress of athletes were all of the highest class, well worth seeing, comparing favorably with any of the big circuses of the country.

"The performance of the big show was up to the most glaring claim. It had everything that a circus should have. In fact many of the acts call for a use of superlatives—generous

praise that was well deserved. The clowns produce good, clean fun, and make a big hit with the audience."

SUNDAY SCHOOL LESSON AUGUST 24, 1919.

Topic: The Christian Ideal of Human Brotherhood.
Isa. 58:12; James 2:14-16; Luke 10:25-37.

REV. J. J. DICKEY.

In interpreting the scripture great care and discrimination is necessary, otherwise we make fatal blunders. In reading Paul's doctrine of justification, or pardon, by faith and James' justification or approval, by works, men get confused. They conclude that these sacred writers contradict each other. When in truth there is perfect harmony. Paul is talking of how a sinner finds pardon and thereby becomes a Christian, and James is talking of how a sinner finds pardon and thereby becomes a Christian.

A sinner is saved, or pardoned, by faith, while a Christian is taught to relieve want, soothe the sorrowing, relieve distress, deal justly, love mercy, walk humbly.

Paul shows how men became Christians and James shows them how to lead Christian lives. Men read James and pump at the conclusion that if a

sinner will only feed the hungry, clothe the naked and relieve the distressed that he is all right, and because he does these things, he is a Christian. It is the duty of Christians and sinners both to do these things, but the doing them does not make a man a Christian nor does it prove that he is a Christian. A Christian is one who has been made such by the pardon of his sins through faith in Jesus Christ. He maintains that relation to God by living like Jesus lived. This includes good works, but it also includes prayer, faith, the study of God's word and attendance upon the ordinances of God's worship. We repeat that the fact that a man does many good deeds neither makes him a Christian nor proves that he is a Christian. We emphasize this point because so many are deceived, just here, where to be wrong is fatal. "By grace are ye saved (pardoned) through faith." If one will read the book of James he will find that no writer, in the Bible makes more of faith than he. He is in perfect accord with Paul.

The teaching of the lesson today, is that among other duties the Christian must give himself, soul and body, to the relief of humanity. He must see that we have just laws, that the strong do not oppress the weak, that the rich do not take advantage of the poor, but on the contrary to relieve their wants. Isaiah and James and Paul all teach that God will not recognize a man as a Christian who neglects these things. His religion is brain. The Christian is the man in whom dwells the love of God which is the fruit or product of the Holy Spirit. This gives him love for man and prepares him to devote himself to the work first of leading men to Christ that they may be saved, then leading them by his example as well as his precept into the glorious work of ministering for Christ's sake, a human need.

LOCAL KNIGHTS WILL CONTRIBUTE TO FUND

Maysville Knights of Pythias Will Pay \$2000 Toward Fund for Children's Home in the State.

At the last meeting of the Grand Lodge, Knights of Pythias in June of this year, a movement was started to raise \$100,000 to pay the debt against the Kentucky Pythian Home and endow it for \$50,000. The Board of Directors have now started a campaign to last fifteen days, during which time, each member in the grand domain of Kentucky will be given an opportunity to make a free-will offering for this cause. The subscriptions will be paid in (4) installments, the first by September 1, 1919, and the last by June 1, 1921. Limestone Lodge, No. 36, of this city, is apportioned \$2000, and the committee of solicitors start out today. Old Limestone has never been so proud as the leaders in any charitable work and will no doubt "go over the top" before this campaign closes.

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator," she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

DISTRICT EVANGELIST WILL BE EMPLOYED AT ONCE

Best Baptist Minister Obtainable Will Be Employed by Bracken Mission Board For Evangelistic Work In the District—Meeting Held Today.

Probably the most important business transacted by the representatives of the thirty Baptist churches in this section of Kentucky and Southern Ohio at their meeting held Friday at the First Baptist Church in this city, aside from apportioning the mission funds to the various weak churches, was the deciding to employ a full time missionary.

The Mission Board went on record as desiring the services of the best possible man they can employ to devote his entire time to missionary work among the churches in this section and in assisting in the great 75 Million Campaign among Southern Baptists, \$6200 of which has been apportioned to the Baptists of this district.

A special committee was named to employ the man needed and have him on the field at the earliest possible date. As Maysville is centrally located in the district and as this is the permanent meeting place of the Mission Board and the home of the officers and as the office of the Secretary is located here, it is more than likely that the Missionary will make Maysville his home.

All mission churches in the district needing assistance were given the same at today's meeting. There were some 30 men present at the meeting. Four were ministers and the others leading laymen from the various churches.

MURDERER OF CHILD HAS FLED FROM PRISON

Frankfort, Ky., August 22.—Joseph Wendling, trusty at the State reformatory, who was serving a life sentence for the murder of Alma Keilner in Louisville in 1910, escaped this morning. Guards are searching the surrounding hills for him.

The murder of the Keilner girl was one of the most atrocious ever committed in the county. Her body was found in the cellar of a school house in that city, after a search covering several days. The girl had been attacked and circumstantial evidence pointed to Wendling, who was janitor in the school.

In the Mason County Court Friday Mr. T. F. Worthington was named administrator of Julia Whipples and he qualified as such with J. M. Collins as surety on bond.

Mrs. C. E. Nauman, Sr., returned today from Ocean View, Va., where she has been for the past five weeks. She reports her son as much improved.

THREATENED WITH WHIPPING, SUICIDES

This Is Reputed Cause of Estill McKenney Aged 12, Ending Own Life In Harrison County.

Cynthiana, Ky., August 21.—Estill McKenney, 12-year-old son of Mr. and Mrs. Noah McKenney, of near Alberta, this county, shot and killed himself after his father had threatened to whip him, according to reports.

Estill is said to have had some trouble with his father about a horse, which the boy had been running, and his father had said he was going to whip him.

The next morning, Mr. and Mrs. McKenney left early for Mr. John Maye's home to attend Mr. McKenney's grandmother, Mrs. Tilly Price, who is in a critically condition and whose death is expected at any time. They had just arrived at Mr. Maye's when word reached them that Estill had killed himself.

It seems that when his parents left Estill made the remark to his brother that his father would not whip him the next morning. His brother replied that his father would whip him if he were alive.

"No, he won't whip me, either, nor will I work for him another day," Estill is said to have replied.

Nothing was thought of the remark and the rest of the children, three or four in number, went out into the yard and began a game of marbles. In a few minutes they heard a shot, and running around the house found Estill lying on the ground with a bullet in his forehead. He had shot himself with a 22 calibre rifle.

The boy had closed the doors after he got the gun, and going into the yard at the rear of the house fired the fatal shot. He lived but a few minutes after being found.

BAND AT MOWER PARK ON NEXT SUNDAY

In many respects next Sunday will be Maysville day at the Mower Park camping in Lewis county. Judge C. D. Newell and Hon. Stanley F. Reed will be the chief speakers and the Maysville Boys' Band will furnish the music. It is expected that many Maysville and Mason county people will attend.

SUGAR CONTROL IS RESUMED BY GOVERNMENT

First Concrete Action Taken In House To Bring Down Cost of Living—Retailers Held Liable.

Washington, August 21.—Active control of sugar prices was resumed today by the government, through an agreement reached between the Department of Justice and the Food Administration that licensees would be revoked by the latter when it is shown dealers have been profiteering.

Sugar should reach the consumer at approximately 11 cents a pound, it was announced, based on the ownership of the entire domestic and Cuban crop by the United States Sugar Equalization Board, which is selling to refiners at 7.23 cents a pound. Refiners are under contract with the board to sell at 9 cents, less two per cent. discount for cash; wholesale and jobbers are allowed a maximum of 60 cents per 100 pounds for handling, and retailers are permitted a profit of one to one and one-half cent per pound, making a fair price 11 cents, except in cases where dealers have at an "unreasonable" price due to misunderstanding in the trade. When this is a fact a reasonable advance will be permitted.

With the House agriculture committee's amendment for extension of the powers of the food control act before it, the House tonight was prepared to take action tomorrow on the amendment and thereby make its first extensive step toward beating down living costs. The amendment, which was reported to the House today by a unanimous vote, included retailers among those liable under the food control act, and its enactment along with the control exercised over sugar, officials believe, will do much to curtail profiteering by retailers.

"Our desire is to secure a fair price for the consumer," said Attorney General Palmer in announcing resumption of sugar control, "and we do not wish to pursue a wholesale policy of recommending the cancellation of licenses. Where trade adjusts itself to a fair price for the future, past transactions, unless fraudulent, will not ordinarily be made the basis of a recommendation by this department for the cancellation of the licenses."

AGED MAN WITH MECH HARDWARE DISMISSED

Mr. Benton Mullikin, of the Sardis neighborhood, was taken in charge by the police Thursday night when he was found on the street with a large butcher knife in his pocket. When the old man was searched it was found that he carried a large butcher knife, a case knife, a pen knife, an old chisel and a wrench. He was brought before Judge Whitaker this afternoon but was dismissed.

ANOTHER HEALTH OFFICER HERE

Dr. W. K. Sharpe, who was one of the field force of the U. S. Public Health Service during the Mason County Sanitary Survey, arrived in Maysville today to spend several days here in health work for the Federal Health Department. He will assist Dr. Rice, Mason County's fulltime Health Officer.

NEW STORE EQUIPMENT

Services resumed at 10:45 a. m. Union service at 7:30 p. m. at which the Rev. A. F. Stahl will preach. Sunday School at 9:30 a. m. JOHN C. STEPHENSON, Rector.

Christian Church.

This will be patriotic day in the Bible School. Some of the boys whom this church delighted to honor on the Service Flag are being asked to relate some of their experiences at the front. Be on time 9:30 a. m. Morning church service following the Bible School session. We hope to begin at 10:30 but the longer Sunday School program may prevent the starting of this service until 10:45. Evening service in the Episcopal Church at an hour earlier than usual because of the Chautauqua.

Third Street M. E. Church.

There will be services Sunday morning as follows: Preaching by the Rev. J. D. Haggard at 10:45.

Sunday School at 9:30. Miss Welch will meet with the Children's Department and give one of her fascinating stories. Miss Welch's success with the Junior Chautauqua will make her coming to the children in the Sunday School a rare treat indeed. And this will not be the only treat for the children as Miss Hurd, the superintendent has a special surprise for them.

This will be Carl Dodds' last Sunday with the Brotherhood Class and the school. Members are urged to make this Sunday one long to be remembered. The school and church cordially invites all to attend.

THOS. J. WINTER DIED AT COURT STREET HOME

Prominent Local Citizen Dies After Long Illness of Many Years—Had Been in Tobacco and Grain Business Here.

Mr. Thomas J. Winter, one of the city's most prominent aged citizens, died at his home in Court street Thursday about 5 o'clock following an illness from rheumatism which had extended over several years and which had made of him an invalid for the past few years.

Mr. Winter was 84 years of age and was a veteran of the Civil War. Although he was born in Bracken county and spent much of his time on his farm near Germantown, he located in this city shortly after the Civil War and was prominently identified with some of the leading business houses of the city. For some time he was senior member of the firm of Winter & Everett, local grain dealers, to which J. C. Everett & Co. is successor.

He retired from active business some fifteen years ago. He is the last of a large family and is survived by no relatives closer than cousins, although there are many of these among the county's most prominent citizens.

Funeral will be held Sunday afternoon at 3 o'clock from the home in Court street with services by Rev. R. F. Stahl, of the Christian church and burial will be made in the Maysville cemetery.

FIRE ENGINE DEMONSTRATION SHOWS WORTH OF MACHINE

Cincinnati Fire Engines Will Be Quite Handy In Case of Fire—Large Stream Is Thrown to Third and Market From Foot and Market Street.

A demonstration which proves the value of the two Cincinnati fire engines ordered here by Mayor Thomas M. Russell was given this afternoon when one of the large engines was stationed at the river bank near the wharf boat and a line of hose was laid up Market street to Third. With the one engine pumping water that distance a stream of water was thrown as high as the M. C. Russell Company's large building and with strong pressure, demonstrating that the engines will be quite useful in case of a bad fire and will give the city protection should the water system entirely fail.

Mayor Russell will keep one of these engines under river bank at all times and in case of a big fire in either the Eastern or Western end of the city, the engine will be loaded on the ferry boat and hauled to the river bank nearest the fire.

Maysville people can now feel safe against disastrous fire as with these two large fire engines, the city's property is now well protected.

ABERDEEN MAN HERO OF THEATER DISASTER

Although Wounded When Theater Lobby Falls In, Aberdeen Man Rescues Children.

Tuesday evening when the lobby of the Mars moving picture theater at Walnut Hills collapsed fifty men women and children were thrown into a nine-foot pit. In the list of those severely injured are Mr. and Mrs. Frank Martin of Aberdeen who are well known to the people of Brown county.

Notwithstanding Mr. Martin's painful injuries he carried many children from the suffocating pit to a place of safety. He did not tell of his own injuries until all persons were accounted for and made comfortable. Those who were injured said his acts were heroic.
